Regeneron Announces Departure of Michael Aberman, M.D., Senior Vice President of Strategy and Investor Relations

Michael Aberman, M.D., Senior Vice President of Strategy and Investor Relations, will be leaving Regeneron in July to pursue a new opportunity as the head of an emerging private biotechnology company. The Regeneron team wishes Michael the best of luck in his future endeavors and is grateful for his many contributions to the company over the past seven years.

Investor Relations inquiries should continue to be directed to Manisha Narasimhan, Ph.D., Senior Director of Investor Relations.
